# SHUT DOWN MILO Yiannopoulos

**No White Supremacist Neo-Fascist at UC Berkeley**

**TODAY, Wednesday Feb. 1**

**Pauley Ballroom of UC Berkeley's MLK Student Union  
(Telegraph and Bancroft, 10 min. walk from downtown Berkeley BART)**

**Arrive early at 5pm (Milo intends to speak at 8 pm)**

*Wear a white t-shirt and blue jeans to show solidarity and ensure safety for protesters on our side. Bring something to cover your face and head in case the police try to use tear gas. Look out for Yiannopoulos to come out and assault the protest as he's been known to do. Yiannopoulos' appearance at UC Berkeley poses a direct threat to students and the campus community. He wants to build a proto-fascist youth thug organization at UCB that will, if he's allowed to speak, feel emboldened to openly attack and terrorize immigrant, black, Latina/o, Muslim, women, and trans students. We need to send him a strong loud message that he is NOT welcome at Berkeley. He was shut down at UC Davis two weeks ago. He was forced to cancel at UCLA and will not be allowed to speak at that campus in this tour. UC Berkeley needs to be the place where we make sure that he never feels like he can set foot in California again. If we are determined and united in the course of defending ourselves, we can shut him down.*

The Berkeley College Republicans and UC Berkeley plan to host an event by Milo Yiannopoulos, a racist, misogynistic demagogue whose speaking tour, the "Dangerous Faggot Tour," has incited torch of hate crimes and physical confrontations at numerous universities, and even the shooting of an anti-fascist protester by a Trump supporter at the University of Washington. Protesters at many campuses in the U.S. have cancelled his engagements. Yiannopoulos notoriously riles up a lynch-mob mentality in his audiences, promoting violence, rape, harassment, and repression against minorities, women, and immigrants. His "speeches" are a bombast of racial and sexual slurs, provocations, and curse-laden threats. His various YouTube videos are a catalogue of hate and bigotry. Yiannopoulos is not a stand-up comedian. He is a twisted psychopath and defender of rape who claims that all women who charge men with rape are liars. Now an editor for Breitbart, his career and infamy began through his internet harassment campaign against women and led to his prominence as an "alt-right" personality and news editor who calls Donald Trump "Daddy." Steve Bannon, white supremacist and Milo's other mentor, is likely driving this neo-fascist youth touring effort.

If Yiannopoulos is able to go forward with his speech, Chancellor Dirks and his administration will be directly responsible for aiding and allowing this neo-fascist to come and endanger students at UCB, and all the fallout that takes place as a result. It is clearly dangerous for Dirks to be allowed to make the decisions for UCB campus. There is no question that he should leave his post immediately. Presidents of DePaul University, University of Missouri President and Chancellor, Clement McKenna Dean of Students, Ithaca College President, State University were all forced to resign by anti-racist struggles on their campuses that included student mobilizations to shut down Milo.

The Milo Yiannopoulos tour represents an imminent, physical threat to the students and faculty of UCB. By hosting the event, the UCB administration would be giving direct license to the incitement of bigotry and terror across the campus. Hate speech is not free speech—a primary aim of demagogues like Yiannopoulos is to repress and silence the speech of minorities and women, to eradicate from all social life everything that Yiannopoulos labels as "political correctness." His aim is to create a hostile climate in which free speech becomes impossible, in which the rights and

obligations of civil discourse can no longer be upheld because civil discourse itself will cease to exist.

UCB should follow the example of other campuses that have canceled Milo's tour engagements: NYU, University of Miami, Florida Atlantic University, Villanova University, and the University of Maryland. The alternative is the prospect of clashes between white and minority students, anti-fascist and fascist sympathizers as occurred at places like UC Davis, University of Washington, DePaul University, the UC Irvine, Rutgers University and others. Yiannopoulos incited, escalated, and promoted the confrontations, as his audiences chanted "amb her by the pussy!" and other hate speech. This is not an event that any college campus should condone—it threatens the safety and well-being of the students and faculty, and threatens the academic mission to promote learning and leadership. The confrontations will not be confined to the time and place of the event; hate crimes will escalate, and innocent people will suffer verbal or physical abuses. This is the established pattern of the Milo Yiannopoulos tour—that hateful pattern must be broken at UCB.

The faculty of Berkeley have already rightly demanded that Milo be kept off the campus. The faculty understands that this is not a question of abstract free speech; it is a question of the right of immigrant, minority, and women students to attend Berkeley free to live and learn in a safe environment. Dirks' failure to recognize that warrants the faculty to call for his immediate removal now, and not wait until his scheduled departure in June. Students and the Bay Area community must also stand up against the proliferation of hate and the prospect of a lynch-mob, race-riot mentality spreading across campus. The instigator of this phenomenon must be stopped. Milo Yiannopoulos intends to speak at Pauley Ballroom in the MLK Student Union Building at UCB (corner of Telegraph and Bancroft) at 8pm. This event must not go forward on this campus. UCB prides itself as a diverse, international community, with students of many nationalities, ethnicities, religions, and cultures. We must defend the very best of that tradition now, against the threat that Yiannopoulos or other demagogues may raise upon the current political climate of the Trump presidency to build a fascist youth movement in America. The threat is real. Our stand must be clear: no white supremacist neo-fascists at UC Berkeley.

# VICTORY! NEO-FASCIST MILO YIANNACOPOULOS 'SHUT DOWN'

# The Movement Defeated Milo Yiannopoulos; The Movement Can Defeat Donald Trump

**Drawing Lessons and Building on Our  
Victory to Defeat Donald Trump:  
BAMN MEETING Monday, Feb. 6,  
7PM at 225 Dwinelle Hall, UCB**

UC-Berkeley students and community members won a tremendous victory against President Trump and his protofascist movement on February 1, 2017 by shutting down neo-fascist Milo Yiannopoulos. More than 1,500 people stood united at Sproul Plaza, chanting "Shut it down!" as the protest took effective and prompt action stopping Yiannopoulos' racist-recruitment event from going forward. The police's efforts to terrorize the crowd, including firing rubber bullets at students, only cemented the determination of everyone there. Our solidarity and refusal to leave in the face of threatened police violence ensured our safety and the the shutdown of Yiannopoulos' event.

Milo Yiannopoulos, Trump's Chief Strategist Steve Bannon, their Breitbart News organization, and Holocaust-denier and fascist David Horowitz had planned to use UC Berkeley February 1, 2017 as a stage to launch a national campaign to force universities to abandon their commitments to be sanctuary campuses, to censorize and crush all resistance to Trump's plan to deport millions of immigrants. Yiannopoulos had planned to expose and shame undocumented immigrant students, and he actually successfully called a press conference at the University of Wisconsin-Madison in December 2016, and personally attacked at UC Berkeley a faculty of color, a lesbian woman, and a transgender woman. President Trump was the main attraction for the far-right government of the United States without any party and without any ideological loyalty to Trumpism. The right-wing of the United States was not represented, although there is no question that the right-wing of the United States was there. They had hoped to attract the national attention of the right-wing of the United States to the Trump administration by using UC Berkeley as a stage for a national campaign to force universities to abandon their commitments to be sanctuary campuses, to censorize and crush all resistance to Trump's plan to deport millions of immigrants.

the country who are looking for a way forward that there is a force—the new mass, militant, integrated, student-led civil rights movement—that has the power to confront and defeat Trump and his racist rabble.

Chancellor Dirks bears full responsibility for allowing a neofascist to come to recruit a protofascist racist drug organization and endanger the lives of thousands of Muslim, immigrant, women, and trans students on this campus. His administration's willingness to spend hundreds of thousands of dollars on police, his refusal to defend civil discourse and the academic character of this campus over and against the demands of thousands of students and professors, and his continuing defense of windows over human beings are shameful hypocrisy. Dirks no longer should make further decisions endangering people on this campus and must step down immediately.

BAMN invites all who support building the mass, militant movement that can defeat Donald Trump and win full equality in our society to join BAMN. BAMN organized widely and built and led February 1, 2017 as a mass, militant demonstration. BAMN agrees with Martin Luther King ("The whirlwinds of revolt will continue to shake the foundations of our nation until the bright day of justice emerges") and with Malcolm X ("action on all fronts by whatever means necessary"). We believe that the fight against racism is central to the fight against inequality. We must build a young, integrated, serious collective leadership in which Latina/o, black, Muslim, other minority, immigrant, women, and LGBT people play the leading role, if the movement is to succeed. We must build a radical student organization at UCB who takes seriously studying history to make history, and who speaks the truth and mobilizes the superior power of our movement against its enemies. That organization is BAMN.
